

**Application for Membership**  
Bereavement Advisory Council

The Bereavement Advisory Council (BAC) is a multidisciplinary group of professionals who are interested in supporting and developing programs for patients, families and staff in areas of grief, loss, death and dying. The Council meets once a month and attendance of members at greater than 75% of meetings is strongly encouraged. We also recommend that members have the approval of their supervisor and/or department to participate on the Bereavement Advisory Council.
