## WHAT IS CPE?

Clinical Pastoral Education (CPE) is interfaith professional education for ministry. It brings theological students and ministers of all faiths into supervised encounters with persons in crisis.

Out of an intense involvement with persons in need and the feedback from peers and teachers, students develop a new awareness of themselves as persons and better understand the needs of those to whom they minister.

## CHAPLAINCY AT DUKE RALEIGH HOSPITAL

Chaplains at Duke Raleigh Hospital provide a safe and confidential relationship to discuss physical, emotional and spiritual concerns. They serve as a liaison between patients and their religious communities.

Sensitive and confidential care is provided to patients of diverse religious backgrounds and spiritual preferences. In addition to patients and family members, chaplains offer supportive care to staff as necessary.

## CPE AT DUKE RALEIGH HOSPITAL

The Duke Raleigh program in Clinical Pastoral Education is accredited for Level I and Level II units, as well as CEC training with the Association for Clinical Pastoral Education.

## LOCATION

The CPE program operates at Duke Raleigh Hospital, a campus of Duke University Hospital. Duke Raleigh is a 188-bed hospital that specializes in Cancer Care, Heart, Neurology, and Orthopedics. Duke Raleigh Hospital has been a part of the Duke University Health System since 1999 and has cared for patients in Wake County and beyond for more than 100 years.
