<b>PART E: EXPIRATION</b>			
This Authorization will automatically expire one (1) year from the date of the patient's signature in Part F below, unless an earlier date, event or condition is written below:  _____			

**PART F: REVIEW AND APPROVAL BY PATIENT AND ATTENDING PROVIDER**

- The patient has the right to revoke this Authorization by submitting a written request to revoke to either: (1) **DUHS Health Information Management, DUMC Box 3016, Durham, NC 27710**; OR (2) the patient's DHE Provider/Primary Care Physician/Attending Physician. Although the patient may revoke this Authorization at any time, the revocation will not apply to any information already released as a result of this Authorization.
- Your refusal to sign this Authorization will not affect the patient's treatment, payment, enrollment or eligibility for benefits or the quality of care received by the patient.
- Any information disclosed pursuant to this Authorization may no longer be protected by federal and state privacy laws and could be **redisclosed** by the person or agency that receives it.
- The DHE Provider's permission to access the patient's Maestro Care record pursuant to this Authorization may be terminated by Duke Health at any time and for any reason, including, but not limited to, if the patient's attending provider determines that such termination will be in the best interest of the patient.

**FOR RECIPIENT OF SUBSTANCE ABUSE INFORMATION**

This information has been disclosed to you from records protected by federal confidentiality rules (42 CFR part 2). The federal rules prohibit you from making any further disclosure of information in this record that identifies a patient as having or having had a substance use disorder either directly, by reference to publicly available information, or through verification of such identification by another person unless further disclosure is expressly permitted by the written consent of the individual whose information is being disclosed or as otherwise permitted by 42 CFR part 2. A general authorization for the release of medical or other information is NOT sufficient for this purpose (see 42 CFR § 2.31). The federal rules restrict any use of the information to investigate or prosecute with regard to a crime any patient with a substance use disorder, except as provided at 42 CFR §§ 2.12(c)(5) and 2.65.

**Attending Provider Global Assessment Guidance**

A 12-17 year old patient's attending provider may choose to provide full access to the patient's Maestro Care record to a DHE Provider who is the patient's parent or legal guardian if the attending provider determines that providing full access is in the best interest of the minor patient. The determination of the attending provider will be made in the exercise of his or her professional judgment based on an evaluation of the facts and circumstances of the patient's case, including an evaluation of the nature of the information that will be made available to the DHE Provider.
